Church in the park

Restrictions are easing for church gatherings but numbers are still governed by the size of the venue and the 4 square rule. So for now outside gatherings are the most suitable for our church.

We can now have gatherings of up to 30 people in the park, so there's room for a few more.

It was great to catch up during our church chat in October and people seemed to enjoy the setting. We look forward to our time together again in

November and a chance to share our faith, pray and chat about our Heavenly Father.

We've all had a weird year and some have struggled more than others, but God is good. He does not take away our struggles but helps us through them. It is in him we put our trust and not our lucky stars.

Church Services

8 November 9.30am

Our next church chat is on the second Sunday of the month at Bellingen Park under the trees.

Parking is available opposite the Catholic primary school.

Please remember to bring your own chair and morning tea.

This month's church chat will be 'run' by the Wed night home group that meets for Bible Study.
